## Introduction

Since 1946 Startrite have been the UK's leading manufacturer of vertical bandsaws. As you may expect from a company with over 50 years of experience and a proven track record - the current range of Startrite Bandsaws offer the ultimate in performance and specification for every type of user.

Service is available nationwide and provided by our own engineers to ensure the correct level of knowledge and quality. We are still supporting machines in the field that are over 30 years old and most spares are available next day. We believe this backup, provided with the highest quality machines, ensures a quick and reliable return on your investment.

**900FP****900FP**

The Startrite 900FP is a band resaw with a high specification. Equipped with a pneumatic feeder and pneumatic opening device the 20 hp motor and 80mm blade enable the machine to cope easily and efficiently with virtually all re-sawing applications. This makes it an ideal machine for timber yards, joinery manufacturers and most applications where bulk timber needs to be cut.

	<b>900FP</b>
Motor power	20hp
Max cutting height	500mm
Max cutting width	300mm
Bandwheel dia	900mm
Max blade width	80mm
Table size	800 x 1200mm
Height	2900mm
Width	1700mm
Depth	1000mm
Weight	800kg

## Extra Duty Range

Startrite Extra Duty Range machines are the ultimate industrial workhorses with extra heavy duty build, powerful motors, cast iron bandwheels and automatic braking for user safety. Wide blades can be fitted to the Extra Duty Range machines to provide superior ripping performance.

Where cutting height in relation to machine size is the most important factor - the 541S and 841S provide the answer with large capacities under the guides and powerful motors to enable best use of this capacity.

	541S	841S
Motor power 1phase	1.5kw / 2hp	N/A
Motor power 3phase	1.5kw / 2hp	4kw / 5.5hp
Height under guides	400mm	480mm
Throat depth	520mm	820mm
Max blade width	35mm	45mm
Min blade width	10	10
Bandwheel Dia	540mm	840mm
Blade length	4470mm	6070mm
Table Size	500 x 600mm	760 x 1140mm
Height	2180mm	2680mm
Width	1040mm	1620mm
Depth	760mm	950mm
Weight	300kg	620kg

601S

701S

Heavy Duty  
Rip Fence

Precision  
Upper and  
Lower Blade  
Guides

Where throat depth in relation to machine size is paramount - the 601S and 701S offer the solution with wide throat capacities for the footprint of the machines.

	601S	701S
Motor power 1phase	2.2kw / 3hp	N/A
Motor power 3phase	2.2kw / 3hp	3kw / 4hp
Height under guides	350mm	420mm
Throat depth	580mm	680mm
Max blade width	35mm	35mm
Min blade width	10	10
Bandwheel Dia	600mm	700mm
Blade length	4520mm	5150mm
Table Size	600 x 800mm	660 x 1000mm
Height	2160mm	2370mm
Width	1140mm	1400mm
Depth	750mm	800mm
Weight	300kg	470kg

## E Range

Startrite E range bandsaws have all the build quality, accuracy and durability of the Extra Duty Range but are carefully engineered to simply offer the basics well and provide a more economic means of acquiring the ultimate in bandsaws

Large Throat Size

Guide System on 501E and 601E

The largest E range machines are heavy duty machines with good capacities and are capable of performing most tasks accurately and efficiently in an industrial environment.

	501E	601E
Motor power 1phase	1.5kw / 2hp	1.5kw / 2hp
Motor power 3phase	1.5kw / 2hp	1.5kw / 2hp
Height under guides	250mm	250mm
Throat depth	480mm	580mm
Max blade width	35mm	35mm
Min blade width	10	10
Bandwheel Dia	500mm	600mm
Blade length	3870mm	4250mm
Table Size	500 x 600mm	500 x 720mm
Height	2000mm	2100mm
Width	1000mm	1100mm
Depth	600mm	650mm
Weight	200kg	230kg

**Extra Size Table and Heavy-duty Fence on SE Machine**

**Heavy Duty Top Slide and Wheel Hub**

**301E**

**351E**

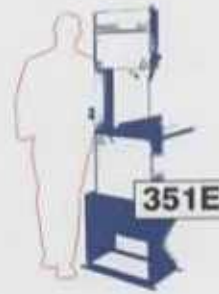

**351SE**

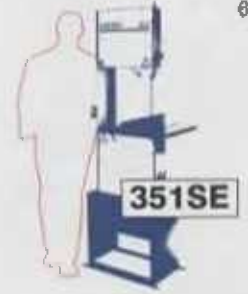

These machines are built to the same exacting tolerances and standards as their larger cousins and are designed to offer generous capacities in a compact machine with a small footprint for those requiring top performance but with limited space.

**301E**

**351E**

**351SE**

	301E	351E	351SE
Motor power 1phase	0.75kw / 1hp	1.1kw / 1.5hp	1.1kw / 1.5hp
Motor power 3phase	N/A	N/A	N/A
Height under guides	200mm	300mm	300mm
Throat depth	295mm	350mm	350mm
Max blade width	16mm	20mm	20mm
Min blade width	3	3	3
Bandwheel Dia	305mm	355mm	355mm
Blade length	2362mm	2845mm	2845mm
Table Size	450 x 450mm	450 x 450mm	520 x 520mm
Height	1655mm	1830mm	1830mm
Width	680mm	775mm	782mm
Depth	543mm	585mm	585mm
Weight	75kg	100kg	105kg
