

STARTRITE

T35 SPINDLE MOULDER

**Quality machinery
for wood and
panel working**

THE 600 GROUP

www.altssawmills.co.uk

The Startrite T35 is robustly built and comes with a large machined and ground work table offering excellent support and safety even on the largest of jobs.

The large diameter spindle with spacing collars runs in high speed sealed for life bearings. Three easily changeable speeds will accommodate most sizes of cutterblock. Rise and fall is controlled by a lockable handwheel.

The heavy gauge steel cabinet base with service door for speed changes, houses all electrical and working parts, ensuring maximum safety. All internal wiring is connected ready for use. Only mains in supply to switch panel is required.

SPECIFICATION

	IMPERIAL (APPROX)	METRIC (APPROX)
Spindle Diameter		30mm
Spindle speeds	3500rpm 6000rpm 8000rpm	3500rpm 6000rpm 8000rpm
Max spindle height above table	4"	105mm
Max spindle tool diameter	7"	180mm
Table size	22" x 33 1/2"	560mm x 850mm
Sliding table size	10" x 10"	250mm x 250mm
Sliding table stroke	23"	585mm
Motor 3 phase	3hp	2.2kw
Motor 1 phase	3hp	2.2kw
Machine Length	34"	860mm
Dimensions Width	22"	560mm
Weight	363lbs	165kg

STANDARD EQUIPMENT:

- Totally enclosed motor.
- Thermal overload and no volt release switchgear.
- Heavy duty safety guard with dust extraction outlet.
- Spindle fences with individual micro-adjustment.
- Hold down unit.
- Sliding carriageway.
- Mitre gauge complete with hold down clamp.
- Graduated fence with adjustable end stop.
- Instruction manual.

OPTIONAL EQUIPMENT:

- Ring fence.
- Tiger cutter head set with nine pairs of cutters.

The sliding table and hold down clamp will ensure square and effortless end graining or tenoning. Spindle fences with individual micro-adjustment allow mouldings to be machined safely and accurately.

The heavy duty motor having three speeds, will supply ample power even to the most demanding operations.

The easy to fit micro-adjustable ring fence will allow all types of curved work to be machined quickly and safely.

The tiger head cutter set, comes complete in wooden box with various moulding and grooving cutters.
